Tuart College has a reputation for providing students with excellent teaching, high quality educational facilities and specialised support services.

Tuart College is a Senior College in the Government of Western Australia’s Department of Education. Set in the heart of the residential suburb Tuart Hill, Tuart College is conveniently located just seven kilometres from the centre of the modern and well appointed city of Perth. Close to major transport routes, students can access the centre of the city in just 20 minutes by bus, or if they have to travel further afield they can use the modern train system. The College has been hosting international students since it was established in 1987. From that time, over 3000 international students have graduated from the College. Of these graduates, over 75% have gained a place in a tertiary institution in Western Australia with the remainder going to other Australian states or overseas.

THE PROGRAMS
The numerous programs offered by Tuart College provide a variety of flexible pathways to university and the Technical and Further Education (TAFE) sector. Courses offered include:
• Western Australian Universities’ Preparatory Program (WAUPP)
• Western Australian Certificate of Education (WACE)

Direct entry to university can be achieved through successful completion of either of these Year 12 Programs.

• Bridging Programs, including Certificates I, II and III in the Certificate in General Education for Adults – CGEA, which provide a pathway to our Year 12 programs.

The Western Australian Universities’ Preparatory Program (WAUPP) - Year 12
This program is well recognised throughout Australia and successful completion ensures a guaranteed place in one of Western Australia’s four public universities: Curtin University, Edith Cowan University, Murdoch University and The University of Western Australia.
The WAUPP was designed by these universities to meet the specific needs of international students wishing to gain university entrance. This program is offered in a variety of time modes:

The Western Australian Certificate of Education (WACE) Program - Year 12
The WACE is an alternative program that offers a wider range of university entrance subjects. This program operates from February to November each year. Under this program students can also select a range of subjects which lead to entry into TAFE institutes.

SUBJECTS
WAUPP - English Language and Australian Cultural Studies (ELACS) is a compulsory subject. Students must then choose three of four subjects from the nominated list found in the International Prospectus.

WACE - Students must study English as an Additional Language or Dialect (EALD) or English plus at least 4 courses selected from the nominated lists. At least one selection must be from each of List A and List B. For details regarding these lists please consult the International Prospectus.

To be eligible to obtain a Tertiary Entrance Aggregate (TEA) students must study at least 4 courses at Stage 2 or higher.
