DO IT AT TUART!

Tuart College specialises in providing a diverse range of quality programs and courses for students over the age of 16 continuing or re-entering into full-time or part-time education.

Tuart College offers every student, every opportunity to study in a pleasant, friendly and supportive learning environment.

The College has:
- An adult ethos.
- Experienced, well qualified and caring staff.
- A flexible timetable to accommodate mature age students with family or work commitments.
- A comprehensive student support network.
- A variety of short courses.
- A modern Library and Refectory, open from 8.00am to 8.00pm for students studying during the day and at night classes.

Tuart College is a modern, innovative educational institution with a proud record of achievement.

The College is devoted to helping students to obtain a quality education for life, further education and work.

Maurine Jarvis, a 77 year old grandmother of ten is studying English in one of the College’s night classes.

Maurine is this year’s oldest TEE student and is thoroughly enjoying the experience of learning with her younger class mates. As she says “it is better than being a member of a book club.

Maureen is proof that: Everyone can do it at Tuart!
Every Opportunity, Every Interest & Every Choice

Want to upgrade your education to Year 10 or Year 11 level?
Want to study in a pleasant, caring and supportive learning environment with an adult ethos?

English as a Second Language Courses
Local and international students can enrol in a number of English as a Second Language programs and courses to develop their English skills and improve their job prospects or to help them to prepare for studying Year 12 or at TAFE. These courses have multi entry points and cater for individual student needs.

Flying Start
Permanent residents and international students over 16 years of age can enrol at the beginning of the year or mid year.

The Program teaches literacy and numeracy skills and increases specific subject or course knowledge in preparation for studying Year 12 or entry into TAFE. Students can also improve their job prospects and career options.

Access Tuart College at www.tuartcollege.wa.edu.au
Go to the Courses entry on the Home Page to find out more about Flying Start, ESL Courses, Year 12 WACE subjects and courses, evening classes and preparation for the STAT Course.

Year 12 WACE Program
Students can enrol in a wide range of Year 12 subjects and courses that will help them to gain entry into university or TAFE course of choice. Mature Age students can complete a two subject university entry.

Year 12 Evening Classes
Students may choose to enrol in evening classes and study a range of Year 12 WACE subjects and courses. These are popular with mature age students with work commitments or family obligations.

Special Tertiary Admission Test
The College offers a nine hour course to familiarise and prepare mature age students with the Special Tertiary Admissions Test.

April Start Program
Students who have completed Year 11 or repeating Year 12 and want university entry in a subject of their choice and have missed the beginning of the year enrolment can enrol in Year 12 WACE subjects and courses commencing in April.
SHORT COURSES

Students over 16 years of age can enrol in a wide range of short courses. Most of these are conducted over 10 weeks, however, there are five week courses and day workshops. The Short Course Program is offered over three rounds, commencing in February (autumn), in June (winter) and in September (spring). These courses are conducted at the pace of the learner in a supportive and friendly learning environment.

Go to the Courses and International entries to find out more about Flying Start, ESL, Courses and Year 12 WACE subjects and courses for international students.

WESTERN AUSTRALIAN UNIVERSITIES’ FOUNDATION PROGRAM (WAUFP)

This Program is designed to prepare international students for university entry into Australian and international universities. The standard WAUFP is a ten month course.

FAST TRACK PROGRAM

International students can enrol in this Program in mid June to better prepare for university study in the following year.

BRIDGING PROGRAM

International students can enrol in this Program at the beginning of the year or mid year and complete their studies over one or two semesters. The Program prepares students for studying Year 12.

ENGLISH AS A SECOND LANGUAGE

International students can enrol in a number of English as a Second Language courses to improve their English skills to help them prepare for studying Year 12.

YEAR 12 WACE PROGRAM

The College offers a wide range of Year 12 subjects and courses for international students wanting to study at university.
